ARTS

The Cedar Valley is home to a growing arts and cultural scene anchored by two distinct historic downtown districts.

While Waterloo and Cedar Falls are each visit-worthy cities on their own, together they offer day-trippers and those looking for a great weekend getaway an array of activities, from locally-owned artisan shops featuring one-of-a-kind jewelry, art and more; to big community festivals celebrating the region's diverse heritage. Whether you're looking for the perfect hand-thrown stoneware mug, want to dance the salsa and sample authentic Latino food and drink, or hoping to gallery-hop for an afternoon, the Cedar Valley is the place to be.

THINGS TO DO

WATERLOO CENTER FOR THE ARTS

WATERLOO CENTER FOR THE ARTS

The Waterloo Center for the Arts boasts the largest collection of Haitian art in the country, a true gem for the Cedar Valley. Stop in to see the vibrant, sequin-covered flags and intricately beaded Haitian textiles on display, in addition to the museum's large collection of local and regional art. While you're there, don't miss the mural along the river painted by Cedar Valley students commemorating Waterloo's civil rights history. The mural is also visible from the beautiful RiverLoop Amphitheater, where you can take in free outdoor concerts, catch an evening movie under the stars or simply enjoy the riverfront view.

HEARST CENTER FOR THE ARTS

Just south of the heart of downtown is the Hearst Center for the Arts, the area's free community arts center named after poet-farmer James Hearst. The center hosts free indoor and outdoor concerts, exhibitions of a variety of themes, and a full calendar of talks, workshops and drop-in programs on art, literature and music. The Hearst also hides a hidden gem: a beautiful sculpture garden that is worth a stop and a meander, especially in the springtime.

CF CEDAR FALLS

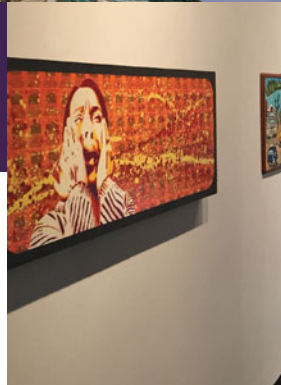

THE COLLEGE CONNECTION

Another free venue for excellent art is on the campus of the University of Northern Iowa. The university has a vast collection of public art, including sculptures scattered across campus to unique depression-era murals in Seerley Hall. The University of Northern Iowa Gallery of Art features an annual exhibition schedule of work from a variety of disciplines and themes. The Gallery often hosts free evening and weekend events with featured artists.

ART IN DOWNTOWN CEDAR FALLS

If it's architecture you're in to, head over to Cedar Falls to visit the country's oldest continuously-run hotel, the Black Hawk Hotel. In addition to a beautiful lobby and rooms with historic furnishings, the hotel lobby connects to the charming Bar Winslow which features live music and craft drinks, including artisan shrubs. Cedar Falls' charming downtown district, home to a variety of locally-owned specialty shops, also features a

collection of sculptures along the parkade. The public art collection includes works by both regionally and nationally-recognized artists, as well as pieces created by area students from the University of Northern Iowa's Public Art Incubator. If you visit in September, plan your trip around Cedar Falls' regional arts festival, ARTapalooza, when the downtown district fills with artists' booths, live music, food vendors and arts and crafts activities for families.

"It's just like the
Main Street at
Disney World,
but real!"

— ACTUAL VISITOR'S COMMENT

DISCOVER THE DISTRICT

Cedar Falls Downtown District's historic
charm winds through your new favorite
SHOPPING & DINING DESTINATION.

Visitors to historic downtown
Cedar Falls, Iowa, are often
charmed by the winding Main
Street, shady trees and blooming
flowers - but it's the perfect
blend of fun and funky, elegant
and energetic that defines
the Cedar Falls Downtown
District.

If you like friendly service, local
owners and unique offerings,
you're sure to love the downtown
shopping experience.

"The shopping and dining
choices downtown are amazing,"
said Kim Bear, Community
Main Street director.
"We have more than 25
restaurants and bars, and
20+ shops and boutiques all
within six blocks - and all locally
owned!"

GEORGE'S LOCAL

FEELING HUNGRY?

From tea shops to coffee shops, farm-fresh breakfasts to delicious pastries, your morning options are scrumptious.

At lunchtime, choices range from authentic Mexican to Maid-Rites; burgers to brats; pizza, crepes, wings and more.

LOOKING FOR CRAFT BEERS?

We've got them! Our downtown breweries will keep your mug flowing with local and global options.

For dinner, gourmet creations and extensive wine cellars are steps away from down-home burgers, offering a little something for everyone.

CHOCOLATARIE STAM

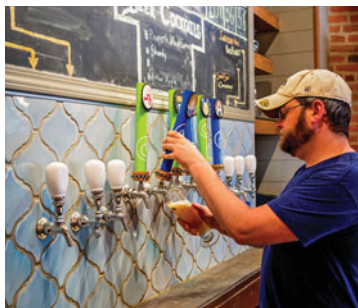

READY TO SHOP?

The district specializes in small shops with unique décor and gift options, ranging from high end to socially conscious to vintage boutiques.

Outdoor enthusiasts love the biking and running store options, especially when combined with 100 paved miles of trails to explore.

And for dessert, there's a bevy of delights, including homemade pie, donuts, gelato, popcorn and chocolates!

Whether you want a sidewalk cafe, rooftop terrace or cozy brick walls, downtown Cedar Falls has a dining destination made to order.

SINGLESPEED CEDAR FALLS

VINTAGE IRON

Specialty shops offer hard-to-find items for gourmet chefs, expecting moms, train collectors, candy fans, brides-to-be and more.

After all that shopping and dining, visitors can relax at the Hampton Inn & Suites, overlooking the Cedar River, or the historic Black Hawk Hotel with its boutique offerings.

MOVIES UNDER THE MAIN

Exciting events for every season and everyone.

No matter the season, the Cedar Falls Downtown District has something exciting happening! More than 30 events occur annually downtown.

The newly completed River Place Plaza adds a beautiful outdoor riverside stage and entertainment area, right in the heart of the district!

Beer lovers converge downtown in April for **HOPS**, a premier beer sampling event. In May, the **DOWNTOWN SHOW & SHINE** takes over the streets, displaying restored cars and motorcycles from all decades.

MOVIES UNDER THE MOON brings the community together with live music and free family movies under the stars at Overman Park in June, July and August.

Live music is an integral element of downtown's vibe, and the Municipal Band offers free open-air concerts Tuesdays during the summer. With **STURGIS FALLS**, the **CEDAR BASIN JAZZ FESTIVAL** and the ongoing **LIVE TO 9** series, summer is rocking in Cedar Falls!

Artisans of all types set up shop downtown for **ARTAPALOOZA** in September, while October starts off with the Pink Ribbon Run and then follows up with downtown Trick or Treat night!

And **HOLIDAY HOOPLA** kicks off the holiday season in November in serious style, with thousands attending Santa's arrival (always via a secret method!), winter fireworks, and family-friendly events weekly through Christmas.

Mid-Century modern is alive in Downtown Waterloo.

With furniture from the 40s, 50s, 60s & 70s, curator Greg Brown brings his unique eye from his shop to your living room in bold colors and textures. This great shop is filled with great one-of-a-kind finds that have a story to tell.

All of the pieces are original items, no reproductions, as the cheeks in the seats are as important as the design. You won't find another collection quite like that in Epic Finds. Come check it out in Downtown Waterloo at 229 West 4th Street.

PUT A *Face* TO YOUR BANK...

THINGS TO DO

1

As a community bank, our commitment to our Iowa towns is through more than service. We created the LSB Foundation in 2005 to support our charitable donations.

2

Love for small businesses earned us America's SBDC's Small Business Champion Award as well as the Iowa SBA's Top lender in Exporting, Top Lender for Women-Owned Businesses and Turnaround Lender of the Year.

3

We are pioneers in banking tech as the 2020 Technology Association of Iowa's Fintech of the Year and plan to keep breaking the mold.

4

As an Iowan-owned and managed company, our employees experience the benefits of an Employee Stock Ownership Plan.

5

We continue Abe's pursuit of equality as the YWCA Black Hawk County Women of Persimmon Award recipients for being an Organization that Empowers Women.

CEDAR BEND HUMANE SOCIETY, INC.

Abe loves handing out treats to the dogs and cats at the Cedar Bend Humane Society! If you want to adopt and spoil your own critter, stop by to visit their sweet animals!

302 MAIN STREET

It is incredibly important for us to see our communities grow. The best way we can cultivate growth is by being part of it, so we recently opened a newly renovated branch at 302 Main Street in Downtown Cedar Falls.

225 WEST VIKING RD

We may be opening new buildings, but we also cherish the rich history and relationships established at our location in Cedar Falls Industrial Park. Stop in to say hello!

IOWA IRISH FEST

LSB is proud to be one of the main sponsors and participants of Iowa Irish Fest, an annual event that celebrates Irish culture.

THE CEDAR VALLEY HAS YOU COVERED.

THE RAGGED EDGE BAR & GALLERY

A hidden gem with an eclectic vibe, this unique gallery and cocktail lounge, showcases local artists while whipping up artfully hand crafted cocktails. The atmosphere evokes a transformative power to inspire deep conversations, relaxation, and an appreciation for the arts. Enjoy spirited and non-spirited cocktails, wine and Iowa brews and pick up an art piece or two!

CF DOWNTOWN

KINGS & QUEENS

Host to much local talent, professional and amateur drag performances take place nearly every weekend year-round. Plus, with DJs playing favorite and top hits, you'll be sure to hit your groove on the dance floor or play a round of darts or pool. Catch a buzz and a show at Kings & Queens Club.

WLOO DOWNTOWN

SCREAMING EAGLE

For a change of pace, cross the Cedar River into the other half of downtown Waterloo. Famous for the mountable, life-sized motorcycle sculpture out front, the Screamin' Eagle is a place for lovers of both kinds of hog. Get yourself some smoked Gouda bacon bites and an ice cold local or domestic brew and maybe catch a local musician or two.

WLOO DOWNTOWN

ABSALOM LOUNGE

A unique lounge located downtown Waterloo is a place to dwell and delight in fine cocktails, superb hookah & comforting ambiance. An environment that is as equally calming as it is energizing. Sommelier quality drinks in a charming and tranquil lounge.

ROXXY

THE VIBE

The Roxxy is all about celebrating the best of American pop culture from the 80's, 90's and early 2000's while celebrating the unique and weird little things that make you who you are! With epic decor and the retro atmosphere, you'll feel right at home no matter what year you were born. Roxxy features a full bar and a great American food menu. With eye candy everywhere you look... from our guitar chandelier to entire walls covered in cassette tapes and weird and wacky decor, we think you're going to fall in love with Roxxy.

THE STUFFED OLIVE

The Atmosphere

Established in 2004, The Stuffed Olive has become a true martini bar marvel. Today there are over 100 martinis from traditional to trendy and an eclectic tapas menu featuring some of the best chef driven dishes you'll find anywhere. The Stuffed Olive is full of soft leather seating and swanky chandeliers in a modern and luxurious, yet minimalistic atmosphere. We often hear from our guests that the Stuffed Olive is their favorite place. From the incredible food to the sophisticated atmosphere, we hope you'll love it too at The Stuffed Olive!

THE GAMES

Tap Tap, or Double Tap Beercade as some like to call it, is all about the gaming experience in an adult bar setting full of great games, great food, great beer, and great people. Double Tap features carefully selected draught beers and offers an incredibly delicious pizza menu featuring our Crab Rangoon and Jalapeno Popper pizzas. Sure Double Tap is a bar, but it's also a game lovers paradise! Double Tap features all your favorite retro games, modern games, pinball, ski ball, shooters and more. We don't think you'll find a hipper hangout anywhere!

DERINGERS PUBLIC PARLOR

THE LIVE MUSIC

Deringer's is arguably Iowa's favorite Country Bar! Deringer's features hard wood floors, a large dance floor, lots of seating, five pool tables, live DJ's and a private party room. Line Dance Lessons on Thursdays have become a tradition from 7 to 9pm.

Friday's the DJ spins your favorite Country. Saturday's we bring you touring Country artists from all over the Country. You'll see artists from American Idol and The Voice as well as up and coming Nashville artists. Deringer's is known for its incredible live music and Country Bar atmosphere.

But it's the true-blue Country Life Style vibe at Deringer's you're going to Love!

THE DANCING

Voodoo Lounge is a true nightclub experience featuring live DJ's performing above a state of the art dance floor with a sound and light system that brings the upscale big city vibe to life. From soft black leather sofas around the dance floor to soft white leather seating in the UV Lounge, we think you'll agree Voodoo Lounge is Iowa's sexiest night club with three large bars. After a short ride on the elevator to the third floor you'll find a cutting-edge multi-level night club. Voodoo DJ's play all of today's hottest. Open Thursday through Saturday Voodoo is always the place to be!

WATERLOO

Our BrewHouse in Waterloo resides within a wonderfully renovated facility, once a Wonder Bread Bakery. Featuring a traditional Beer Hall and Beer Garden for those craving a social dining experience, as well as a dining room for what us Iowans would consider typical dinner seating.

CEDAR FALLS

Our original Brewery / Taproom sits within the historic Main Street district of downtown Cedar Falls, Iowa. Conveniently located just minutes from the University of Northern Iowa campus and a gentle coast downhill (1 block) from the Cedar Valley Nature Trail.

LOCAL FLAVORS, LOCAL LOVE.

Choose from modern or classic local dining experiences that are the pride of the Cedar Valley with flavors and styles for everyone.

MERSIM'S KITCHEN

Traditional Bosnian and modern American cuisine come together in one place. Popular Bosnian dishes on the menu include homemade pitas with burek, a seasoned ground beef pita, and sirnica, a cheese pita. Cevap are minced beef sausages lightly grilled with fresh onions and ajvar, a popular Bosnian sauce made of roasted red peppers. Mersim's is also the first restaurant in Iowa to have a Starbucks mini bar.

WL00 WATERLOO

DAVID'S TAPHOUSE & DUMPLINGS

Beer and dumplings, the perfect pair! New to the downtown district, a family friendly taphouse with a unique menu of dumplings, chef inspired from locally sourced ingredients, and serving exclusively Toppling Goliath beer. Keeping with an Iowa theme of all Iowa spirits, Verve Kombucha, and Jefferson County Ciderworks, there is something for everyone. Kids and parents will also enjoy the variety of kid friendly activities overseen by Sue, their unforgettable six feet-ten inches tall Lego dinosaur!

BASAL PIZZERIA

Basal Pizzeria is a special kind of place. With locally sourced ingredients, you can find everything from the classic Margherita with an organic crushed plum tomato base to the Street Taco with a unique recipe of chorizo, Iowa sweet corn, crème fraiche, green onions, cilantro and cotija cheese, your taste buds will be satisfied beyond expectation in the culinary excursion called Basal Pizzeria in Downtown Waterloo.

SINGLESPEED BREWING CO.

It ain't just beer that SingleSpeed Brewing Co. is brewin' up. Between their Gold LEED certification and Iowa's only Platinum Sustainable Brewery designation, this brewery takes as much care about their energy efficiency as they do their award winning beers. In their historically preserved beer hall you'll find mushrooms grown using the spent grain from the brewing process and spent grain used in a variety of bakery items, creating a beer and menu that cares about the environment while leaving your refreshed and feelin' good.

GEORGE'S LOCAL

DINING GUIDE

Relax & enjoy a good meal,
LIKE A LOCAL.

George's is a casual, comfortable place for everyone to enjoy. We are a hard working bunch, like you. And we appreciate relaxing over a good meal, like yourself.

Situated at the corner of 4th and Main in our historic and vibrant downtown, we've renovated an old auto service station and rolled up our sleeves to serve you.

George's namesake was inspired by a Greek immigrant named Louis George who owned and operated a cafe called George's Cafe from 1924-1934. Their cafe was located in a building that was located on our current patio.

You'll find a well-appointed dining room and an enviable open-air patio. It is tastefully landscaped, fully furnished and incorporates gas fire pits and heaters which allows for three full seasons of use.

GEORGE'S SERVES FRESH AMERICAN FARE.

We have some great local partners, Hoffman Farms, Hansen's Dairy, All Seasons, and Yellow Table to name a few.

Our bar comes fully stocked with wine, some fun cocktails and a curated tap list with some good local/Iowa brews. Get beyond your comfort level and try a few beers that maybe you haven't tried before. We promise you'll enjoy them!

We have an amazing staff that's building a great working culture in downtown Cedar Falls. We are excited to be here!

EAT & EXPERIENCE DOWNTOWN LIKE A LOCAL.

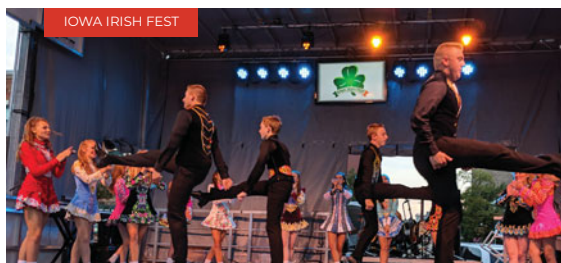

Interesting, local dining and drinking in the center of the Cedar Valley. Our restaurants and bars include classic diner style at Newton's Paradise Café. From our classic breakfast to our "too big for one person" pork tenderloin, Newton's has something for everyone. Walk across the street and enjoy a beer and a brat at Anton's Garden (May to October), our German inspired biergarten.

Just a block down the street in Waterloo's National Register-listed Waterloo East Commercial Historic District you will find Jameson's Public House. A great place for a wide selection of beers on tap, Irish Whiskeys and Irish and American comfort food. Whether you come visit us or one of our locally owned and operated neighbors, you are sure to find food, drink and fun for any occasion.
